in trial of the century acclaimed author frank schmalleger provides a self contained accessible account of the criminal and judicial proceedings of the o j simpson double murder

trial the text draws from the unrivaled documentation of this event to guide students through the workings of America's criminal justice system. Schmalleger also reaches beyond the crime scene and courtroom to explore the psyche of American society as it relates to the trial and the events surrounding it.

This book is intended for introduction to criminology course taught at sophomore level out of both criminal justice and sociology programs.

This book offers a highly accessible, comprehensive look at the juvenile justice system with pedagogy fully integrated throughout the text. Readers will easily make the connections between theory and practice. The text explores the various programs and processes that exist in the juvenile justice system, including prevention efforts through school and community-based programs, and provides an understanding of the history, current state, and future of juvenile justice.

For courses in criminal justice administration and police administration, unlike other texts, this comprehensive single-author volume addresses the administration of the three components of the justice system: police, courts, and corrections, as well as other contemporary administrative areas and hot issues, e.g., personnel administration, financial administration, rights and liabilities of criminal justice employees, and state-of-the-art technology in criminal justice. Focused on the primary people, concepts, terms, and reality of contemporary justice administration, it reflects 27 years of the author's hands-on front-line experience as a police and corrections practitioner, administrator, planner, and educator.

Frank Hagan's *Research Methods in Criminal Justice and Criminology*, fifth edition, is a classic in its field. The new edition continues the tradition of featuring both standard and contemporary examples of research in criminal justice and criminology. In addition to learning how to do it, students are also exposed to a rich variety of actual research studies.

Includes entries for maps and atlases.
